

UNITED STATES OF AMERICA
U.S. DISTRICT COURT -- EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

BUSINESS HEALTH
SOLUTIONS, P.C.

Plaintiff,

-vs-

LITURGICAL PUBLICATIONS, INC.,
d/b/a LPI and JOHN DOES 1-10,

Defendants.

COMPLAINT – CLASS ACTION

Plaintiff is not aware of any related cases.

1. Plaintiff, Business Health Solutions, P.C., brings this action to secure redress for the actions of Liturgical Publications, Inc. (“LPI”), in sending or causing the sending of unsolicited advertisements to telephone facsimile machines in violation of the Telephone Consumer Protection Act, 47 U.S.C. §227 (“TCPA”).
2. The TCPA expressly prohibits unsolicited fax advertising. Unsolicited fax advertising damages the recipients. The recipient is deprived of its paper and ink or toner and the use of its fax machine. The recipient also wastes valuable time it would have spent on something else. Unsolicited faxes prevent fax machines from

receiving and sending authorized faxes, cause wear and tear on fax machines, and require labor to attempt to identify the source and purpose of the unsolicited faxes.

PARTIES

3. Plaintiff Business Health Solutions, P.C. (“Business Health Solutions”) is a professional corporation with offices at 17197 North Laurel Park Drive, Suite 107, Livonia Michigan 48152, where it maintains telephone facsimile equipment.

4. Defendant Liturgical Publications, Inc. is a corporation with principal offices at 2875 S. James Dr., New Berlin, Wisconsin 53151. It maintains a Registered Agent at Registered Agent Solutions, Inc., 2285 S. Michigan Road, Eaton Rapids, Michigan 48827.

5. Defendants John Does 1-10 are other natural or artificial persons that were involved in the sending of the facsimile advertisement described below. Plaintiff does not know who they are.

JURISDICTION AND VENUE

6. This Court has jurisdiction under 28 U.S.C. §§1331 and 1367. *Mims v. Arrow Financial Services, LLC*, 132 S. Ct. 740, 751-53 (2012).

7. Personal jurisdiction is proper because Defendant has committed tortious acts in this District by causing the transmission of unlawful communications into the District.

8. Venue in this District is proper for the same reason.

FACTS

9. On April 2, 2019, Business Health Solutions received the unsolicited fax advertisement attached as Exhibit A on its facsimile machine.

10. Discovery may reveal the transmission of additional faxes as well.

11. LPI is responsible for sending or causing the sending of the fax.

12. LPI is the entity whose products or services (advertising) were advertised in the fax, derived economic benefit from the sending of the fax.

13. LPI either negligently or wilfully violated the rights of Plaintiff and other recipients in sending the fax.

14. Plaintiff had no prior relationship with Defendant and had not authorized the sending of fax advertisements to Plaintiff.

15. On information and belief, the fax attached hereto was sent as part of a mass broadcasting of faxes.

16. On information and belief, Defendant has transmitted similar unsolicited fax advertisements to at least 40 other persons in Michigan.

17. There is no reasonable means for Plaintiff or other recipients of Defendant's unsolicited advertising fax to avoid receiving illegal faxes. Fax machines must be left on and ready to receive the urgent communications authorized by their owners.

COUNT I – TCPA

18. Plaintiff incorporates ¶¶ 1-17.

19. The TCPA makes unlawful the “use of any telephone facsimile machine, computer or other device to send an unsolicited advertisement to a telephone facsimile machine ...” 47 U.S.C. §227(b)(1)(C).

20. The TCPA, 47 U.S.C. §227(b)(3), provides:

Private right of action.

A person or entity may, if otherwise permitted by the laws or rules of court of a State, bring in an appropriate court of that State—

(A) an action based on a violation of this subsection or the regulations prescribed under this subsection to enjoin such violation,

(B) an action to recover for actual monetary loss from such a violation, or to receive \$500 in damages for each such violation, whichever is greater, or

(C) both such actions.

If the Court finds that the defendant willfully or knowingly violated this subsection or the regulations prescribed under this subsection, the court may, in its discretion, increase the amount of the award to an amount equal to not more than 3 times the amount available under the subparagraph (B) of this paragraph.

21. Plaintiff and each class member suffered damages as a result of receipt of the unsolicited faxes, in the form of paper and ink or toner consumed as a result.

Furthermore, Plaintiff's statutory right of privacy was invaded.

22. Plaintiff and each class member is entitled to statutory damages.

23. Defendant violated the TCPA even if its actions were only negligent.

24. Defendant should be enjoined from committing similar violations in the future.

CLASS ALLEGATIONS

25. Pursuant to Fed.R.Civ.P. 23(a) and (b)(3), Plaintiff brings this claim on behalf of a class, consisting of (a) all persons (b) who, on or after a date four years prior to the filing of this action (28 U.S.C. §1658), (c) were sent faxes by or on behalf of LPI promoting its goods or services for sale.

26. The class is so numerous that joinder of all members is impractical. Plaintiff alleges on information and belief that there are more than 40 members of the class.

27. There are questions of law and fact common to the class that predominate over any questions affecting only individual class members. The predominant common questions include:

- a. Whether Defendant engaged in a pattern of sending unsolicited fax advertisements;
- b. The manner in which Defendant compiled or obtained its list of fax numbers;

c. Whether Defendant thereby violated the TCPA.

28. Plaintiff will fairly and adequately protect the interests of the class. Plaintiff has retained counsel experienced in handling class actions and claims involving unlawful business practices. Neither Plaintiff nor Plaintiff's counsel have any interests which might cause them not to vigorously pursue this action.

29. Plaintiff's claims are typical of the claims of the class members. All are based on the same factual and legal theories.

30. A class action is the superior method for the fair and efficient adjudication of this controversy. The interest of class members in individually controlling the prosecution of separate claims against Defendant is small because it is not economically feasible to bring individual actions.

31. Several courts have certified class actions under the TCPA. *American Copper & Brass, Inc. v. Lake City Indus. Products, Inc.*, 757 F.3d 540, 544 (6th Cir. 2014); *In re Sandusky Wellness Center, LLC*, 570 Fed.Appx. 437, 437 (6th Cir. 2014); *Sandusky Wellness Center, LLC v. Medtox Scientific, Inc.*, 821 F.3d 992, 998 (8th Cir. 2016); *Holtzman v. Turza*, No. 08 C 2014, 2009 WL 3334909 (N.D.Ill. App. 2010).

32. Management of this class action is likely to present significantly fewer difficulties that those presented in many class actions, e.g. for securities fraud.

WHEREFORE, Plaintiff requests that the Court enter judgment in favor of Plaintiff and the class and against Defendants for:

- a. Statutory damages;
- b. An injunction against the further transmission of unsolicited fax advertising;
- c. Costs of suit;
- d. Such other or further relief as the Court deems just and proper.
